

Goldthorn Park News!

Dear Parents and Carers,

We hope you are safe and well.

Thank you for your continued support in helping your children to learn remotely. It has been fantastic to see so many of our pupils engage in their online learning, participating in Teams meetings, chatting to their peers and sharing ideas, key worker pupils working hard in their bubbles and fabulous portfolios of learning being created on Class Dojo. We have enjoyed National Story telling week and 'Safer Internet day' this half term and have many more exciting learning activities planned for next half term.

The latest information we have from the government is that schools will be open on March 8th 'at the earliest'. They have also promised to give schools 2 weeks' notice of when they want us to re-open fully, so let's hope that early next term we hear when we can do just that and then we can welcome all our pupils back where they should be.

We now have a half term break, which many of you we're sure, are looking forward to. Please allow yourself time to recharge your batteries and enjoy some fun activities with your children – you all deserve it!

Keep safe and well and we look forward to seeing you all very soon,

Mrs Hemmings and Mrs Purshouse.

This half term holiday.....

Children....please remember to keep reading as it's one of the best skills that you can master. Coming up next half term is 'World Book Day', where you will be asked to think about your favourite stories and share them with your teachers. Use Reading Eggs and Oxford Owl too and try and find 'new' favourite texts to tell your friends about.

Parent Survey Feedback

Just before Christmas we asked you to complete a parent questionnaire that was emailed out. We had many responses and we would like to say a big 'thank you' to all those families who took part. Your thoughts and comments are extremely important to us and we are currently working alongside Trust leaders to analyse our results and we will inform you of our findings after half term.

Track and Trace

Please note that if you test positive for Coronavirus or are self-isolating because you have been in contact with someone who has tested positive, please let the school office know so we can support track and trace and help stop the spread of the virus.

School buildings update!

To update you we now have a super new staff car park to the right of the driveway as you enter school. We look really smart wouldn't you agree.

We can also tell you that our toilets in KS2 are near to being completed – we are so excited to unveil them to our pupils.

Key dates for your diary!

Friday 12th February – Break up for half term

Monday 22nd February – Key worker pupils return to school

Thursday 1st April – Break up for Easter

Monday 19th April – Summer term begins
