

Goldthorn Park Primary News!

Dear Parents and Carers,

Thank you families for continuing to support our one-way system around school premises. It is vital that we continue to do all we can to protect ourselves, families and children in the fight against the spread of COVID 19.

A reminder, there are still pupils who are not coming changed on PE days. On the back of this newsletter you will see the days on which your child needs to come to school ready for PE action.

We are looking forward to our new hot meals menu which begins this week with an introductory 'American Grab Bag' day. The Trust have worked hard with our meal provider MiQuills to ensure an appetising lunch is provided daily with home cooked savouries and muffins to tempt!

A big thank you to parents who have supported their children in applying for the role of 'Young Interpreter'. Over 200 of our pupils applied and Mrs Purshouse was blown away with their enthusiasm. The first group of 30 pupils have been selected and Mrs Purshouse will send out a congratulatory letter to the successful candidates. The overwhelming support from our pupils has ensured that the project is increased by 30 more 'Young Interpreters' in the Spring Term and therefore developing a great network for pupils new to the country or with English as a second language.

Well done all!

Mrs Hemmings and Mrs Purshouse.

Building Project Update!

We appreciate your support as the building project continues on KS1 roof. Our school hall now has really smart windows that all open!

COVID 19 UPDATE:

We continue to follow all guidance provided from the Government and Public Health England and request that if any tests are undertaken within your household that are positive, please inform school at the earliest convenience. This will ensure that we can act to minimise any impact this may have on others.

Pupils, please keep reading, learning times tables, using reading eggs and Purple Mash!
