

Goldthorn Park Update!

Dear Parents/Carers,

We hope you have all enjoyed a pleasant summer break and we are so looking forward to welcoming our pupils and their families back to Goldthorn Park. We would like to reassure you that our school has been subject to a thorough enhanced clean throughout the six weeks and plans are in place for that to continue following the guidance of Public Health England to ensure the safety of all and minimise COVID 19 risk.

Furthermore, teaching teams across all year groups have worked hard to create 'socially distanced' classrooms, following government guidelines and are excited and well prepared to receive pupils and begin learning together again. So, as we near the end of the summer holidays, we thought we would update you on the KS1 roofing project at school. The project is now well underway and the hall roof is almost complete. Scaffolding is all around the building and is safety cladded and scaffold barrier netting is a further preventative measure to ensure any debris is caught should anything fall. Regular meetings with contractors keep us updated and able to inform our families about developments as the project progresses. Health and safety plans are in place to ensure movement around the school building at certain times of the day is safe and there are designated pedestrian routes indicated using barriers and fencing. As in the last few months, teachers and school leaders will be present to guide and reassure both pupils and their families.

We thank you for your support during this time of upheaval but want to reassure you that our commitment to providing the very best for our pupils remains as always.

We look forward to seeing you all on Wednesday 2nd September 2020.

Mrs Hemmings and Mrs Purshouse
