

Y2 Inspiration Day

On Wednesday 8th September 2021, Year 2 had a fantastic experience in exploring their new topic 'Up, up and away!' The children were dressed in their chosen costumes and discussed their favourite flying toy.

They also participated various activities including a mock flight to Paris, building and painting their own wooden aeroplane, creating paper aeroplanes and helicopters. They also watched clips from the film 'Up'. In the afternoon, the children created Pointillism hot air balloons!
